## **Victron & Freedomwon batteries**

Note that this is a draft!

## **Compatible Victron products**

All 48V Multis and Quattros. Also all MPPT Solar chargers that can work with a 48V battery.

Note that there is no integration in the Color Control GX required nor available: it will not (yet) read data directly from the Aquion AHI BMS.

## Wiring and settings

The staff of Freedomwon has expert knowledge of Victron products and the required settings when installing together with their batteries.

Please contact them for more information.

## **DISQUS**

~~DISQUS~~
