

# Victron & Freedomwon batteries

**Note that this is a draft!**

## Compatible Victron products

All 48V Multis and Quattros. Also all MPPT Solar chargers that can work with a 48V battery.

Note that there is no integration in the Color Control GX required nor available: it will not (yet) read data directly from the Aquion AHI BMS.

## Wiring and settings

The staff of Freedomwon has expert knowledge of Victron products and the required settings when installing together with their batteries.

Please [contact them](#) for more information.
