Octo GX (OGX) manual

The Octo GX is part of the GX-product family;

Document to be finished

- photo
- link to product detail page
- link to Venus OS page Victron GX product range
- link to Color Control GX page
- copy bits & pieces over from the Venus GX page that explain how to find / connect the device; as it doesn't have a display, just like Venus GX, and dual wifi, also just like Venus GX.
