Inverter 12/375 VE.Direct

VE.Direct inverter app

(VE.Direct Bluetooth dongle needed)

True energy independence. Powered by know-how.

At Victron Energy we're as dedicated to making and improving power solutions today as when we started in 1975. Our robust ecosystem of flexible building blocks delivers energy independence for the most demanding applications—from off-grid and energy storage to marine, vehicle, and industrial specialist solutions.

The modular product range includes heavy-duty sine wave inverters, inverter/chargers, battery chargers, DC-DC converters, solar charge controllers, batteries, battery monitors and DC distribution systems. Our world leading VictronConnect app and Victron Remote Management (VRM) portal ensure perfect control, from wherever you are.

Engineered for limitless customisation, our platform powers tailor-made automation workflows, integrating devices, sensors, APIs, and online services.

Thanks to decades of real-world testing and customer feedback, our products have been proven to deliver reliability time and time again, even in the harshest of climates. This makes them unmatched in ruggedness, long-term value and cost of ownership.

Millions of customers worldwide value the reassurance our power solutions deliver, knowing they have our worldwide network of authorised dealers by their side. They know that our family-run business is built on a foundation of trust that has defined Victron Energy for decades.

Energy. Anytime. Anywhere.
