

Runner Paris Marathon finished successfully

Alastair Thomas after running the Paris Marathon

France, Paris: after 4 hours and 25 minutes Alastair Thomas from [Arleigh International Ltd](#) finished the Paris Marathon on April 7th 2013. He raised the amazing sum of £16,429.93 for B.eat and Children's Hospice South West. As a proud sponsor of Alastair: thumbs up!

Fundraising

2 Months before the Marathon Alastair Thomas started with a target of £5,000. After a few weeks the target was already achieved, so the target was raised to £10,000. Also this target was achieved before the Marathon had begun, so it was raised again to £15,000. At the end of the Marathon Alastair raised £16,429.93!
